Butterfly Open raises over \$120,000 For the children of the John A. Coleman School

The constant rain this June was no match for our Butterfly Open, held on June 8, 2009 at Westchester Hills Golf Club. We were blessed with beautiful weather and a perfect day for golf. The real winner of course was the John A. Coleman School and the children it serves. Over \$120,000 was raised for the School, a record breaking amount and a remarkable achievement in these challenging times.

This year's sponsors included our Founding Sponsor, North Street Community and our Tournament Sponsors, Andron Construction and Perkins Eastman Architects. We are truly

grateful to all of our sponsors and participants for making our Butterfly Open a tremendous success!

The John A. Coleman School, with campuses in White Plains and Manhattan, provides special education programs and services to children from birth to 21 years of age. The White Plains campus is one of the largest providers of home, community and center based pre-school special education in Westchester County, providing services last year to over 25 school districts in Westchester, Putnam,

Bronx and Manhattan. The Manhattan campus serves the residents of the Elizabeth Seton Pediatric Center, a 136 bed skilled nursing facility serving medically fragile children. Last year the Coleman School served over 1,600 children and their families. At the Coleman School our goal is to give each child the best start in life. This includes compassionate care, exceptional early education, and intensive interventions of rehabilitative therapies, skilled nursing, music and art therapy, psychological services and family support.

For more information about next year's Butterfly Open and future events for the John A. Coleman School please call or email Kirstin McArthur, Associate Director of Development at 914.597.4021 or kirstin.mcarthur@setonpediatric.org.
